

MISSION STATEMENT

AmTab® is a world-class American designer, manufacturer, and furnisher of high-impact learning environments. All AmTab® products and services help create inspiring learning environments and transformational learner experiences.

ENVIRONMENTAL POLICY

AmTab® has always been committed to being environmentally friendly, sustainable, and responsible. We love our planet and build products that are earth-friendly. Through our designing, manufacturing, packaging, transportation, and furnishing processes, we follow all local, state and federal environmental standards. Our goal is to implement business practices that incorporate life-cycle thinking into the design, manufacture, use, and the end-of-life management of our products to prevent pollution and waste, and work towards the continuous improvement of our environmental performance. Our environmental policy and related goals will continue to be clearly communicated to our employees, dealers, suppliers, customers, and partners. Together, we are making a strong positive impact.

DESIGN FOR ENVIRONMENT AND DURABILITY

AmTab® takes into account the impact that our products have on the environment and strategically designs them to maximize their sustainability. AmTab® incorporates renewable, recycled, and recyclable materials; uses cutting edge technology to make design considerations for the environment; and, addresses the end-of-life management and recovery options for the materials that make up our products. AmTab® uses materials from the Sustainable Forestry Initiative. AmTab® uses Environmentally Preferable Products as certified by the Composite Panel Association. AmTab® packaging materials are from recycled products. AmTab® will design and manufacture products that have a long useful life and can withstand repeated use and handling. AmTab® products are MAS Green Certified.

CHEMICAL MANAGEMENT

AmTab® works to mindfully reduce and eliminate chemicals that are hazardous to human and ecosystem health throughout our manufacturing facility. We maintain Safety Data Sheets both electronically and hard copy for easy access by both our office and factory personnel.

TRANSPORTATION

AmTab® is committed to reducing transportation related emissions through idling reductions, carrier selection, and reductions in unnecessary intercompany movement. We have consolidated our manufacturing and warehouse operations and reduced our truck fleet to minimal use. We always strive to maximize efficiency and minimize footprint when shipping products.

ELECTRONIC MEETINGS, COMMUNICATIONS, AND MESSAGING

AmTab® has been continuously utilizing technology and technological advances to operate in an effort to minimize and eliminate consumption of resources and reduce waste. AmTab® utilizes electronic meetings, communications, and messaging throughout the global footprint. AmTab® has converted many legacy paper-based documentation processes to modern electronic file management systems saving materials, time, and effort. In addition, AmTab® has invested in a robust website and related portal to access critical information without the need for paper-based materials. Electronic communications are the norm at AmTab®.
